law. Defines the term "member" for purposes of the charity gaming laws. Establishes a procedure under which a qualified organization that conducts only one charity gaming event in a calendar year may submit an application for a license for the event without including the Social Security numbers of the workers for the proposed event. Provides that a qualified organization using the procedure may not require an individual who wishes to participate in the allowable event as a worker to submit the individual's Social Security number to the qualified organization. Allows the gaming commission to approve: (1) a qualified organization's utilization of a nonmember as a worker if the nonmember is a member of another qualified organization; and (2) the sharing of receipts with the qualified organization of which the worker is a member. Prohibits the gaming commission from adopting a rule concerning a minimum percentage of a qualified organization's gross receipts that must be used for charitable purposes. Makes an appropriation.

4 JULY 1, 2006]: Sec. 5. (a) This subsection does not apply to tax
5 revenue remitted by an operating agent operating a riverboat in a
6 historic hotel district. After funds are appropriated under section 4 of
7 this chapter, each month the treasurer of state shall distribute the tax
8 revenue deposited in the state gaming fund under this chapter to the
9 following:

10 (1) The first thirty-three million dollars (\$33,000,000) of tax

13 (2) Subject to subsection (c), twenty-five percent (25%) of the
14 remaining tax revenue remitted by each licensed owner shall be
15 paid:

16 (A) to the city that is designated as the home dock of the
17 riverboat from which the tax revenue was collected, in the case
18 of:

24 riverboat from which the tax revenue was collected, in the case
25 of a riverboat whose home dock is not in a city described in
26 clause (A).

27 (3) Subject to subsection (d), the remainder of the tax revenue
28 remitted by each licensed owner shall be paid to the property tax
29 replacement fund. In each state fiscal year, the treasurer of state
30 shall make the transfer required by this subdivision not later than
31 the last business day of the month in which the tax revenue is
32 remitted to the state for deposit in the state gaming fund.
33 However, if tax revenue is received by the state on the last
34 business day in a month, the treasurer of state may transfer the tax
35 revenue to the property tax replacement fund in the immediately
36 following month.

37 (b) This subsection applies only to tax revenue remitted by an
38 operating agent operating a riverboat in a historic hotel district. After
39 funds are appropriated under section 4 of this chapter, each month the
40 treasurer of state shall distribute the tax revenue deposited in the state
41 gaming fund under this chapter as follows:

42 (1) Thirty-seven and one-half percent (37.5%) shall be paid to the

(2) Thirty-seven and one-half percent (37.5%) shall be paid to the West Baden Springs historic hotel preservation and maintenance fund established by IC 36-7-11.5-11(b). However, at any time the balance in that fund exceeds twenty million dollars (\$20,000,000), the amount described in this subdivision shall be paid to the property tax replacement fund established under IC 6-1.1-21.

(3) Five percent (5%) shall be paid to the historic hotel preservation commission established under IC 36-7-11.5.

(4) Ten percent (10%) shall be paid in equal amounts to each town that:

(A) is located in the county in which the riverboat docks; and

(B) contains a historic hotel.

The town council shall appropriate a part of the money received by the town under this subdivision to the budget of the town's tourism commission.

(5) Ten percent (10%) shall be paid to the county treasurer of the county in which the riverboat is docked. The county treasurer shall distribute the money received under this subdivision as follows:

(A) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county having a population of more than thirty-nine thousand six hundred (39,600) but less than forty thousand (40,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. The county fiscal body for the receiving county shall provide for the distribution of the money received under this clause to one (1) or more taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the county fiscal body after receiving a recommendation from the county executive.

(B) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county having a population of more than ten thousand seven hundred (10,700) but less than twelve thousand (12,000) for appropriation by the county fiscal body after receiving a recommendation from the county executive. (i) A town having a population of more than two thousand two hundred (2,200) but less than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand three hundred (19,300) but less than twenty thousand (20,000).

(ii) A town having a population of more than three thousand five hundred (3,500) located in a county having a population of more than nineteen thousand three hundred (19,300) but less than twenty thousand (20,000).

(c) For each city and county receiving money under subsection (a)(2), the treasurer of state shall determine the total amount of money paid by the treasurer of state to the city or county during the state fiscal year 2002. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

- (1) exceeds a particular city's or county's base year revenue; and
- (2) would otherwise be due to the city or county under this section;

to the property tax replacement fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the property tax replacement fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

- (1) Surplus lottery revenues under IC 4-30-17-3.
- (2) Surplus revenue from the charity gaming enforcement fund under ~~IC 4-32-10-6~~ **IC 4-32.2-7-7**.

year insufficient money is transferred to the property tax replacement fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the property tax replacement fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

(1) To each city located in the county according to the ratio the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for additional credits for property tax replacement in property tax increment allocation areas or debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of each year, the treasurer of state shall determine the total amount of money distributed to an

C
O
P
Y

entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. The amount of the supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-6); minus

(2) the sum of:

(A) the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6; plus

(B) any amounts deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.
